Free Food Packets Distribution Programme organised by NSS Unit of Jagadambha College of Engineering And Technology Yavatmal on 18th August 2020. The main motto of these programmes was to help and serve the food to the poor and needy people. The sudden outbreak of the Coronavirus Pandemic sent the whole world into a whirlwind. Countries got a high amount of COVID-19 infections and many people died. Keeping this in mind, the Government of India announced a nationwide lockdown. This was a vital step in putting brakes on the infection rate. But this sudden announcement, though necessary, came as a huge burden on the whole nation. All workplaces, except the essential sector, came to a standstill and people were told to stay indoors as the deadly virus started to spread rapidly. Transportations stopped, so people were unable to move from one place to another. So, people were both out of work and were unable to go home. The people who suffered most because of this situation were the migrant workers. Most of the people in India, who fall under the poverty line, relocate to bigger cities for jobs. While they are already challenged in terms of survival, the lockdown was an add-on to their miseries. Neither were they able to earn to feed their families nor were they able to travel back home for survival, putting them in deep trouble. Seeing their grave situation, NSS Unit of Jagadambha College Of Engineering And Technology Yavatmal came forward to provide them with free food for survival. There were total 05 faculty members and 20 students who distributed the free food packets to the poor and needy people in yavatmal city.

The NSS unit of Jagadambha College of Engineering & Technology, Yavatmal organize Cloth Distribution Program for Poor and Needy People at Dhamangaon Road Yavatmal. The purpose of this activity is to provide reusable cloths, warm cloths and blankets to the poor and needy people. The NSS Volunteers started this activity with the daily follow up in all institutes of Jagadambha College of Engineering and Technology, Yavatmal. Volunteers kept boxes near the entrances of the institutes with catchy note/ slogan “ Donate Clothes – for the poor and needy people ”. There was overwhelming response from Teaching, Non – Teaching staff and students in the Jagadambha College of Engineering & Technology, Yavatmal. Volunteers took sincere efforts in collecting all the clothes and segregated them as per age groups. On 18th August 2020 NSS unit conducted the said drive at Dhamangaon Road Yavatmal. The Drive was started with the introductory speech given by Prof. P. S. Wankhede. Thus totally 42 volunteers and 05 Faculty actively participated in this Drive. The volunteers were very enthusiastic about the drive as they were happy after experiencing the cheerful and happy faces of the poor and needy people.

There was a heavy rush of poor and needy people to get the reusable cloths. On receiving the cloths, the people had smile on their face and feeling of gratitude in their hearts for NSS Unit of Jagadambha College of Engineering And Technology, Yavatmal. Tears were noticed in the eyes of many volunteers seeing the pathetic condition of the poor. This event was found successful as some of the donors of cloths were resent during the event in the slum and they saw the pitiable condition of people living there. We feel that through NSS Unit of Jagadambha College of engineering And Technology, Yavatmal., we could make more and more people realize the condition of poor people. A real grass root level work was, thus, undertaken in the last days of the year 2020. A feeling of real festivity was felt by all the members and volunteers who were involved in this programme.

As a part of national observance of “Constitution Day” from this year to mark the birth day of Dr. B R Ambedkar, who shaped Indian constitution as chairman of drafting committee, the NSS Cell, Jagadamba college of Engineering and Technology has organized the observance day on this 26 November 2021 at the virtual Online Mode. The inaugural function was witnessed with the following dignitaries: Hon’ble Dr. Shital Watile Secretary, JCOET, Principal Dr. H.M. Baradkar Prof. P.S. Wankhade NSS Programme Officer, Dr. V.L. Bhambare Coordinator, IQAC All Head of Department were the Chief Guest, Guests of Honour and President respectively. Resource persons have delivered on relevance of this day of observance, significance of the constitution, preamble and its landmark history of making Indian constitution. To mark the occasion of “Constitution Day” was also released by chief guest and distributed to all the participants.

Once a student understand ‘what the constitution is and what to do as a citizen’ under different matrixes, Schedules and Parts of the constitution, the state may be in a progressive generation to come. Further, he stated that every democratic country has a constitution which is a vital document, according to which the country carries out its operations. Constitution protects the rights of the citizens of a concerned nation, irrespective of their religion, caste, creed, sex or physical appearance. A constitution, thus, can be safely said to be a social contract between the government and the people it governs.

Dr. H.M. Baradkar Principal of the college, expressed heartfelt gratitude to all the students for such a grand success in his presidential speech. Further, he also precisely recalls the importance of constitution in a democratic country to avail justice to citizens of India irrespective of caste, creed, religion, sex etc. Last but not the least; he also expressed deep sense of thanks to all the members of the organizing team under NSS Cell, for bearing such responsibility to participate in the nationwide observance. The observance was ended with vote of thanks from NSS volunteer.

Objective:

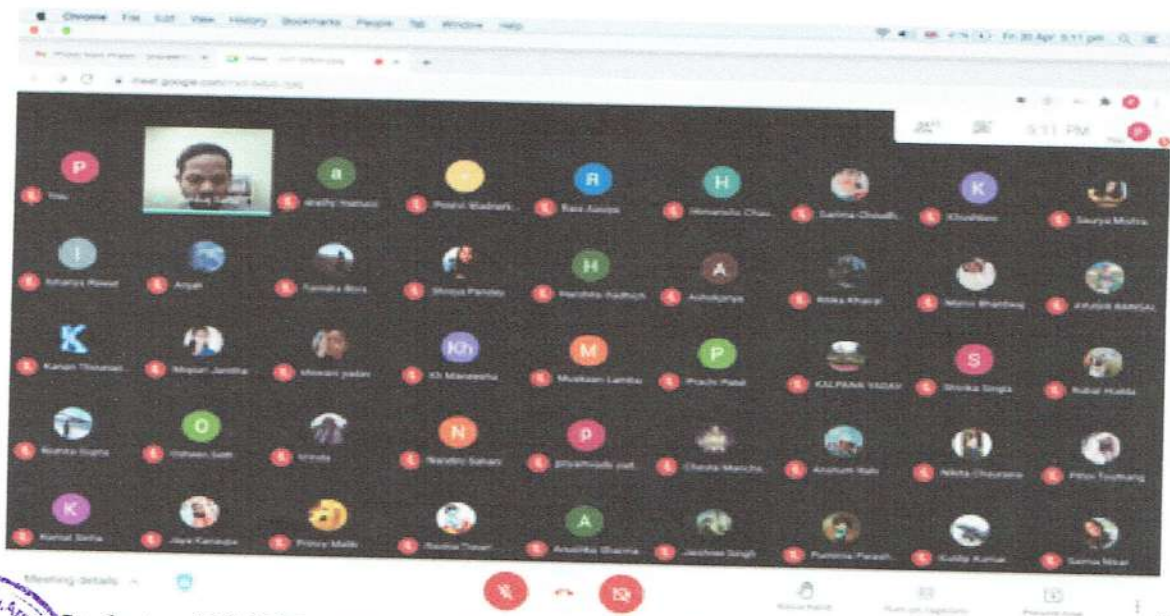

1. The objective of celebrating National Education Day is described as strengthening India's educational institutions
2. To raise the quality of education. It is also seen as an occasion to remember Maulana Azad's contribution in laying the foundations of the education system in an independent India.
3. To evaluate the country's current performance in the field. It is also seen as an opportunity to improve the current situation of education in India.

Jagadambha College of Engineering and Technology, Yavatmal has Celebrated National Education Day on 11th November 2020 through virtual Online Mode. In September of 2008, India's Ministry of Human Resource Development declared the birthday of Maulana Abul Kalam Azad to be nationally recognized as Education Day. The first education minister of Independent India, Maulana Abul Kalam strongly advocated education for women and free and compulsory primary education for children up to the age of 14. On this occasion, Dr.H.M.Baradkar Principal, Jagadambha College of Engineering and Technology introduced and share their views related to making themed "Importance of Education for Society Building" to the students. Further, the session was continued by other faculty members of Jagadambha College of Engineering and Technology. Around 55 students, along with 6 faculty members participated in the celebration of National Education Day Program each faculty members shared their valuable thoughts and dialogues.

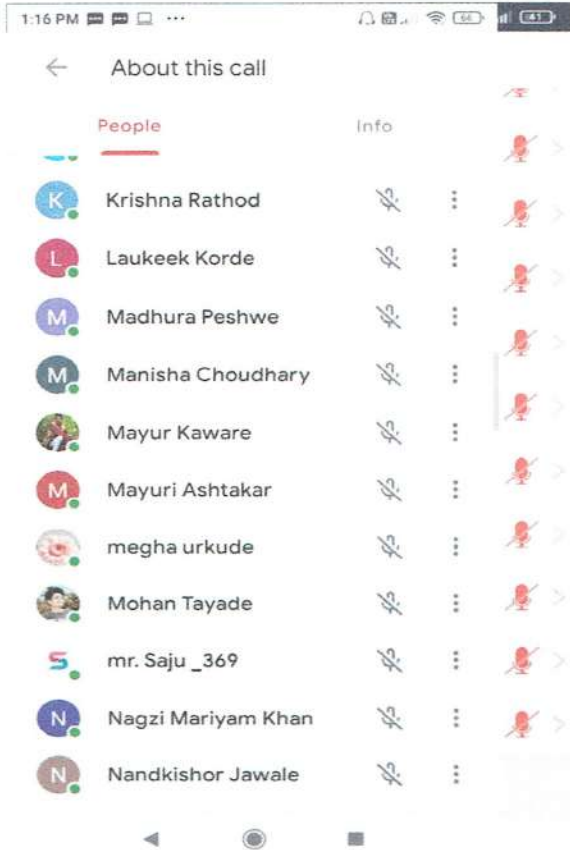

Hon'bel Secretary Dr. Shital Watile and Hon'ble Principal Dr. H.M. Baradkar shared their valuable speech about today's Education system.

It was a red letter day in the history of India when the country got her freedom on August 15, 1947. It took hundreds of years for us to break shackles of slavery. People of the country celebrate this festival every year with great pomp and show. The main Programme is celebrated at the Red Fort in New Delhi. Besides, this festival is also celebrated in every city and town, in school, college and university. Our College also celebrates this festival every year. But due to the pandemic situation the students are not allowed to attend the college and with reference of the covid guide line we followed all the instructions.

Dr. Shital Watile, (Secretary – J.B.G.V.S Yavatmal), Dr. H. M. Baradkar (Principal- J.C.O.E.T. Yavatmal), Dr. V. L. Bhambere (Head of the Department of Mechanical Engineering) and Dr. V. G. Neve (Head of the Department of Electrical Engineering) Prof. S. S. Kendhe (Head of the Department of Civil Engineering) Prof. V. K. Barbudhe (Head of the Department of Electronics and tele-communication Engineering) Prof. P. D. Thakare (Head of the Department of Computer Engineering) Prof. D. B. Pohare Mam and Dr. Hazare Sir graced the occasion.

The Secretary was the Chief Guest of the Programme. But he gives the honour of flag hosting to Dr. M. B. Wasu Mam(Chemistry Department). She hoisted the national flag sharp at 7:45 am. All the Staff Members saluted the flag and then sang the National Anthem with nobody moved honouring it.

Dr. Shital Watile addressed the gathering and highlighted the achievements of the college. He underscored the steps the college has taken to ensure an overall development of its students and took pride in mentioning that the college is well ahead of the academic standards that are now being enforced by the government. He emphasized upon the quality education which would help in the development of the city and the country at large. He

briefly discussed the issues that the nation is currently facing and urged everyone to unite and stand against them.

In the end, the Principal Sir Dr. H. M. Baradkar delivered the short speech. He told about the supreme sacrifice the great martyrs who gave their lives for the sake of freedom. He also said that the freedom was very precious and it was very necessary to preserve it. The Principal also told to follow the ideals of the great people like [Mahatma Gandhi](#), [Nehru](#), [Subhash Chandra Bose](#) etc. Then some more people delivered speeches on the occasion. All the speakers spoke about the significance of the historic day. They advised to become ideal citizens of the country. In the end of the ceremony, *Samosa & Sambar wadi* were distributed to all staff members.

The Independence Day has a great importance in every citizen's life. This day reminds us every year that freedom is sacred and citizens must do everything to ensure that it shall not be endangered.

Dr. Megha Wasu Mam (HOD Chemistry Department) unfurled the National Flag.
